## **SECTION 1: AIMS**

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## **SECTION 2: LEGISLATION AND STATUTORY GUIDANCE**

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

## **SECTION 3: ROLES AND RESPONSIBILITIES**

### **3.1 The governing board**

The governing board is responsible for:

- Promoting the importance of school attendance across the school's policies and ethos
- Making sure school leaders fulfil expectations and statutory duties
- Regularly reviewing and challenging attendance data
- Monitoring attendance figures for the whole school
- Making sure staff receive adequate training on attendance
- Holding the headteacher to account for the implementation of this policy

### **3.2 The headteacher**

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies

- Issuing fixed-penalty notices, where necessary

### **3.3 The designated senior leader responsible for attendance**

The designated senior leader is responsible for:

- Leading attendance across the school
- Offering a clear vision for attendance improvement
- Evaluating and monitoring expectations and processes
- Having an oversight of data analysis
- Devising specific strategies to address areas of poor attendance identified through data
- Arranging calls and meetings with parents to discuss attendance issues
- Delivering targeted intervention and support to pupils and families
- Working with the Trust-lead for attendance to ensure policies and procedures are being followed

Appendix 2 details the designated senior leader responsible for attendance is, and how they can be contacted via telephone number and/or email address.

### **3.4 The attendance officer**

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance and the headteacher
- Working with Heads of Year Groups to tackle persistent absence
- Issuing fixed-penalty notice
- Taking calls from parents about absence on a day-to-day basis and recording it on the school system
- Conducting home visits

Appendix 2 details the name of our attendance team.

### **3.5 Class teachers and form tutors**

Class teachers and form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office using the school's MIS system.

### **3.6 School admin/office staff**

If not the attendance officer, the school admin/office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the head of year/pastoral leader/class teacher in order to provide them with more detailed support on attendance

### **3.7 Parents/carers**

Parents/carers are expected to:

- Make sure their child attends every day, and on time
- Call the school to report their child's absence before 8:30am on the day of the absence, and each subsequent day of absence, to advise when they are expected to return

- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

### **3.8 Pupils**

- Pupils are expected to attend every timetabled session on time
- For our sixth form students, pupils are expected to call the school to report their absence before 8:30am on the day of the absence and each subsequent day of absence

## **SECTION 4: RECORDING ATTENDANCE**

### **4.1 Attendance register**

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not (for pupils of a compulsory school age only)
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Appendix 3 details the times of the school days pupils must arrive in school by, and what times registers will be taken.

### **4.2 Unplanned absence**

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8:30am or as soon as practically possible by calling the school attendance team. The contact details for this can be found under Appendix 2, alongside details of the how to notify the school of an unplanned absence.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Whilst details of how parents should request leaves of absence can be found under Appendix 3, we encourage parents/carers, however, to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### **4.4 Lateness and punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Appendix 3 details how the school identifies and responds to ongoing punctuality issues.

### **4.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct home visits or contact police to conduct a welfare check. In cases where parent/carers continue to be uncontactable over a period of time, the academy will consider a referral to social services. Details of this can be found in the academy's safeguarding policy.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving a Local Authority Attendance Officer LAAO

### **4.6 Reporting to parents/carers**

The school will inform parents of absence on the day, and each subsequent day, that a child is not in school. This will be followed up, and should absence become persistent, a parent meeting will be requested. If absence becomes severe, or if the parent meeting does not result in improved attendance, the school will consider home visits and referrals to Early Help and/or social services for additional support. In each of these circumstances, parents/carers will be informed of their child's attendance. More formally, the school will write to parent/carers each half term to report their child's attendance.

## SECTION 5: AUTHORISED AND UNAUTHORISED ABSENCE

### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

'Exceptional circumstances' are decided at the discretion of the headteacher only.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, obtainable from reception. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- Study leave

### 5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## **SECTION 6: STRATEGIES FOR PROMOTING ATTENDANCE**

Appendix 4 details our strategies for promoting attendance.

## **SECTION 7: ATTENDANCE MONITORING**

### **7.1 Monitoring attendance:**

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

### **7.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### **7.3 Using data to improve attendance**

The school will:

- Provide regular attendance reports to class teachers/form tutors, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

### **7.4 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

A full list of attendance strategies to reduce persistent absence can be found in section 6.

## SECTION 8: MONITORING ARRANGEMENTS

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the Trust Lead for attendance – Sara Poolman. At every review, the policy will be approved by the full governing board.

## SECTION 9: LINKS WITH OTHER POLICIES

This policy links to the following policies:

## **APPENDIX 3: TIMINGS OF THE SCHOOL DAY**

At Barclay Academy, the following times apply:

- Pupils must arrive at school by 8:25am.
- The first register is taken at 8:30am and will be kept open for no longer than 30 minutes after the session begins.
- The register for the second session is taken at 1:25pm.
- Students are considered late to school if they arrive between 8:30 am and 9:00am. For these students, they will receive an L code. Students who arrive after 9:00am (the time the register formally closes) will be given a U code which counts as an absence.

- Punctuality will be tracked and monitored across the academy. For students who are repeatedly late, the school will follow the same attendance procedures as for absence, including parent meetings, home visits and referrals if necessary.

#### **APPENDIX 4: STRATEGIES TO IMPROVE ATTENDANCE**

Strategy	Explanation
Daily absence calls for students who are not in school	On the first day of absence, and each subsequent day of absence, schools will contact parents reminding them of the expectation for students to be in school.
Attendance Week	At the end of the second week of every half term, the class teacher/form tutor will call home to parents of students who are between 90 – 95% attendance, reminding them of the importance of good attendance.
Letters home	In cases where attendance has met a threshold warranting monitoring or concern, and, in cases where attendance has improved or warrants celebration, letters will be sent home to parents informing them of this.
Parental meetings	Should attendance continue to decline, parent meetings to set attendance targets will take place to promote good attendance.
Home visits	In cases where attendance is a concern, home visits (either conducted by the school or the Police) will take place to encourage students back to school. If the school cannot reach the pupil's contacts or where a student is persistently absent a home visit will be conducted.
Attendance and/or punctuality report	Attendance and/or punctuality reports can be provided for students to reward good attendance/punctuality over a short period of time.
Attendance contract	Where attendance isn't improving, schools can provide attendance contracts to encourage attendance over a longer period of time.
Referrals to Early Help/Social Services	In cases where the school has exhausted its supportive measures, referrals to external agencies will take place to help improve attendance.
First day of return check-ins	On the first day of a return after an absence, the form tutor or class teacher will make time to have an informal check-in on the student.
Weekly reporting of attendance data to the Leadership Team	A weekly data report consisting of whole school, year group and form group/class group attendance will be discussed at the weekly leadership team meeting.
Weekly attendance updates to classes and/or form groups	Weekly attendance updates celebrating successes of attendance will be shared with students during form time, tutor time or in assemblies. This can also be put on display.
Weekly positive points or merits for 100% attendance	For students who have 100% attendance in any given week, rewards will be given in the form of positive points or merits.
Celebration assemblies for attendance	At the end of each half term, a celebration assembly will take place, including a celebration of attendance. Students who have either achieved 100% attendance for the term, or 100% attendance for the year, will receive a certificate.
Attendance badges	For students who have achieved 100% attendance, an attendance badge will be handed out.

Attendance raffle	For students who have achieved 100% in a term, they will enter a year-group attendance raffle. The winner will receive a prize, given at the school's discretion.
Termly meetings with the Trust-wide attendance support	The Trust-wide attendance support will meet with the attendance teams once a half term to review data and ensure the relevant thresholds have been implemented at the right stage.
Referrals to the EWO	If necessary, the school will work in partnership with the local authority attendance support team. In cases where the school has exhausted its supportive measures, referrals to the educational welfare office will take place.
Prosecution	Should attendance not improve, families will be prosecuted for poor attendance. This will incentivise this particular family into improving attendance, and deter other families from not attending too.
