

16-19 Tuition Fund 2022-23

The purpose of this statement is to set out how Barclay Academy will use its 16 to 19 tuition fund allocation to support students who have been academically disadvantaged due to coronavirus (COVID-19).

The 16 to 19 tuition fund is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19).

The funding is to support small group and one-to-one tuition for students aged 16 to 19 in English, maths and other subjects that have been disrupted, including vocational and/or academic learning. Students aged 19 to 24 who have an education, health and care (EHC) plan are also eligible for support. All students must be on a 16 to 19 study programme and the funding should be used to support the tuition activity above and beyond the programmes of education already planned. It is for students who:

- have not achieved a grade 4 or 5 in English and/or maths
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support. These are defined as students from the 27% most economically deprived areas of the country based on the index of multiple deprivation

How Barclay Academy will use the 16 to 19 tuition fund

The 16 to 19 tuition fund will be used for both one-to-one and small group tuition from the academy's academic tutor. The academic tutor will deliver sessions in English and Mathematics to those students who did not achieve a grade 4 or 5. Other students from disadvantaged backgrounds will also be identified for additional tuition in English and Mathematics.

Our commitment

Barclay Academy is committed to ensuring the tuition fund is used in accordance with the Government's guidance on the 16 to 19 tuition fund by:

- publishing this guidance on the School website
- recording the use of the fund, deliver the extra tuition and spend the allocated funds in the academic year 2021/22
