LIBERTAS PER CULTUM

Year 7 Ten Tests

Homework and Reading Log Booklet

Term 1 2026

Student Name:

Form:

How to complete your Top Ten Tests homework

LOOK>COVER>CHECK>REPEAT

- 1) Read the question.
- 2) Look at the answer, then say it out loud.
- 3) Cover it up with your hand, read the question and then say the answer/write it down in the boxes.
- 4) Repeat this 4-5 times per word.

You should spend 30 minutes per subject a week learning the top ten test words. It would be more beneficial if you split this into two 15-minute sessions (i.e. one on Monday and one on Thursday).

1	Homework Timetable: Year 7					
2		Monday	Tuesday	Wednesday	Thursday	Friday
3	7AP01 (7A)	Interim Sparx deadline: Maths, Latin, Art	Geography, Science	Final Sparx deadline: Maths, Spanish, Music	English, RS, Technology	History, Performing Arts, Computing
4	7AP02 (7B)	Interim Sparx deadline: Maths, Performing Arts, Geography	History	Final Sparx deadline: Maths, Spanish, Art, Computing,	English, RS, Music	Science, Latin, Technology
5	7ATH1 (7C)	Maths, Technology, Art, Latin	Geography, RS	Final Sparx deadline: Maths, Computing, Spanish	Performing Arts, History, English	Music, Science
6	7HER1 (7D)	Interim Sparx deadline: Maths, History, RS, Performing Arts	Spanish, Computing	Final Sparx deadline: Maths, Technology, Latin	English, Geography, Music	History, Art, Science
7	7HER2(7E)	Interim Sparx deadline: Maths, Performing Arts, RS	Technology, History, Spanish	Final Sparx deadline: Maths, Science, Music	English, Latin	Art, Geography, Computing
8	7ZEU1 (7F)	Interim Sparx deadline: Maths, History, Performing Arts	Latin, Art, Computing	Final Sparx deadline: Maths, History, RS, Music	Geography, Science	English, Spanish
9	7ZEU2 (7G)	Interim Sparx deadline: Maths, Technology, Computing, History	Music, Science, Latin	Final Sparx deadline: Maths, Spanish, Performing Arts	RS, Geography	English, Art
10	Rotating Subjects					
11	The following subjects set homework on a rotation rather than weekly: <i>RS, Computing, Performing Arts, Music, Technology and Art</i>					
12	Set W/C	Tested W/C	Subject	Set W/C	Tested W/C	Subject
13	07-Sep	14-Sep	RS/Art	28-Sep	05-Oct	RS/Art
14	14-Sep	21-Sep	Computing / Per Arts	05-Oct	12-Oct	Music /Per Arts
15	21-Sep	28-Sep	Music/Tech	12-Oct	19-Oct	Computing /Tech
16	SPARX Maths Homework					
17	Interim deadline on Monday at 8am - all students must have attempted/completed all questions by the interim deadline. This will then allow class teachers to support students with the questions they are struggling on. If all questions are not attempted and videos watched/completed by this deadline, a sanction will be set.					

English Week A				
#	Question	Answer	Test yourself 1	Test yourself 2
1	If you are _____, you are destined to die like all humans.	mortal		
2	If you are _____, you are not affected by death.	immortal		
3	If you are _____, you are admired for your bravery.	heroic		
4	If you are _____, you are terrifying and cruel.	monstrous		
5	If you are _____, you do as you're told.	obedient		
6	If you are _____, you ignore instructions.	disobedient		
7	If you have _____, you often boast and do things for pride.	hubris		
8	If you are _____, you rule with fear and harshness.	tyrannical		
9	Odysseus lives on the island of _____.	Ithaca		
10	If you _____ something, you reduce it to nothing.	annihilate		
English Week B				
#	Question	Answer	Test yourself 1	Test yourself 2

1	Odysseus' journey home is called a _____ because it is a long, heroic adventure.	epic		
2	A sentence that contains two or more main clauses, joined by a co-ordinating conjunction is a _____ sentence.	compound		
3	A sentence that contains one main clause is a _____ sentence.	simple		
4	A sentence with one independent and one dependent clause is known as a _____ sentence.	complex		
5	A _____ clause relies on an independent clause to make sense.	dependent		
6	For a sentence to make sense it must have a _____ and a _____.	subject and verb		
7	If you are in _____, you feel chaotic or distressed.	turmoil		
8	If you are _____, you face danger without fear.	courageous		
9	If you _____ courage, you show what it means to be brave.	embody		
10	If your story is _____, it is vast and full of action.	epic		

English Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	The king of the gods in Greek mythology is _____.	Zeus		
2	The goddess who supports Odysseus is _____.	Athena		
3	Telemachus journeys to find news of his _____.	father		
4	The group of men who try to marry Penelope are called the _____.	suitors		
5	Penelope is often described as loyal and _____.	clever		
6	The son of Odysseus is named _____.	Telemachus		
7	Odysseus is lost at _____ for many years.	sea		
8	The goddess who holds Odysseus captive is _____.	Calypso		
9	Calypso keeps Odysseus on her island for _____ years.	seven		
10	If you are _____, you lie or hide your true intentions.	duplicious		

English Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	The deadly whirlpool Odysseus must avoid is called _____.	Charybdis		

2	The god who seeks revenge on Odysseus is _____.	Poseidon		
3	Poseidon is angry because Odysseus blinded his son, the _____.	Cyclops		
4	The Cyclops that Odysseus blinds is named _____.	Polyphemus		
5	On Circe's island, Odysseus' men are turned into _____.	pigs		
6	The magical plant that protects Odysseus from Circe is called _____.	moly		
7	Athena disguises herself as a _____ to help Telemachus.	mentor		
8	Odysseus shows _____ when he shouts his name to the Cyclops.	hubris		
9	Calypso offers Odysseus _____ to make him stay forever.	immortality		
10	Penelope tests Odysseus by asking about their _____.	bed		

English Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	The Phaeacians help Odysseus return to _____.	Ithaca		
2	Odysseus proves his identity by stringing his _____.	bow		
3	The suitors plan to kill _____.	Telemachus		
4	Athena uses _____ to shield Odysseus during battle.	her cloak		
5	Zeus sends a _____ to show support for Odysseus.	thunderbolt		
6	The goddess Circe is both helpful and _____.	dangerous		
7	Odysseus visits the underworld to speak to the prophet _____.	Tiresias		
8	The island of the sun god is called _____.	Thrinacia		
9	Odysseus loses all his men after they eat the sacred _____.	cattle		
10	The six-headed sea monster is called _____.	Scylla		

Science Week A

#	Question		Test yourself 1	Test yourself 2
1	In which organelle is the genetic information stored?	Nucleus.		
2	The permanent vacuole is found in a plant cell but not in an animal cell. Name two other structures found in a plant cell but not in an animal cell.	The cell wall and chloroplast		
3	State the organelle that controls what enters and exits the cell	Cell membrane		

4	Organelle where respiration happens, which releases energy.	Mitochondria		
5	State the organelle, which is the site of photosynthesis, a reaction through which plants absorb light energy to make their own food.	Chloroplast		
6	What is the function of a ribosome?	Make proteins.		
7	What is another term for 'living things'?	Organisms.		
8	What are all living things made of?	Cells.		
9	The function of the nucleus is to control...	The activities of a cell		
10	Name one thing that is alive but does not move from place to place.	A plant.		

Science Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	Name one thing moves but is not alive.	A car.		
2	State which microscope has a greater magnification and resolution.	The electron microscope		
3	Which organelle controls the activities of a cell?	Nucleus.		
4	Name the two parts of a microscope which alters the magnification of the specimen.	The eye piece lens and the objective lens.		
5	Name the scientist who first observed cells under a microscope.	Robert Hooke		
6	Give the name of the material that strengthens a plant cell wall	Cellulose.		
7	Name three organelles found in a plant cell but not in an animal cell.	Cell wall, vacuole and chloroplasts.		
8	In which organelle is sugar and water stored	Vacuole.		
9	Give the names of two substances cells need to survive.	Glucose and oxygen.		
10	Which organelle is described as semi-permeable?	Cell membrane.		

Science Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	State the name given to a cell which is adapted for a specific function.	A specialised cell.		

2	Give the name of the specialised cell that transports oxygen.	Red blood cell.		
3	Give the name used to refer to organisms made of more than one cell.	Multicellular organisms.		
4	Describe the function of a sperm cell.	To fertilise an egg cell.		
5	What adaptation does a sperm cell have that enable them to swim towards an egg cell?	A tail.		
6	Name the specialised plant cell that does not contain chloroplasts.	A root hair cell		
7	Name the specialised plant cell that transports water from a plant's roots to its leaves.	A xylem cell.		
8	Muscle cells have many mitochondria to provide energy for...	Muscle contractions		
9	What are the parts inside of a cell called?	Organelles.		
10	Give the name used to refer to organisms that are made of only one cell.	Unicellular.		

Science Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	The object being looked at under a microscope is called the...	Specimen.		
2	When drawing a specimen under a microscope, what type of pencil should be used?	A sharp pencil.		
3	True or false: when drawing a specimen under a microscope, shading must be used.	False		
4	Where on a microscope is a prepared slide placed?	Stage		
5	Which part of a microscope can be used to make an image become clearer	Focus knob		
6	Which part of a microscope do the eyes look through?	Eyepiece		
7	A student views a specimen under a microscope. The eye piece has a magnification of X10, and the objective lens has a magnification of X20. What is the total magnification?	X200		
8	Write the equation that links image size, actual size and magnification	Image size = actual size x magnification		
9	A cell is observed under a X40 microscope lens. The cell has an	24 mm		

	actual size of 0.6 mm. Calculate the image size.			
10	A cell is observed under a X20 microscope lens. The cell has an actual size of 0.5 mm. Calculate the image size.	10 mm		

Science Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	Muscle cells have many mitochondria to provide energy for...	Muscle contractions		
2	State the name given to a group of organs working together to carry out a specific function.	Organ system		
3	State the name of the organ system that allows the body to move.	The muscular system.		
4	State the name given to a collection of tissues working together to perform a specific function.	An organ.		
5	State the name of the organ system that transports substances in the blood around the body.	The circulatory system.		
6	State the name of the organ system that breaks down food and absorbs nutrients into the blood stream.	The digestive system		
7	State the name given to a cell which is adapted for a specific function.	A specialised cell		
8	Give the name used to refer to organisms that are made of only one cell.	Unicellular		
9	State the organelle that controls what enters and exits the cell.	Cell membrane		
10	State the organelle where many chemical reactions take place.	Cytoplasm		

History Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	When did the Romans conquer Britain?	47 AD		
2	A group of countries or provinces ruled from the centre by a person or group of people is called what?	An empire		
3	What were early Britons called?	Celts		
4	What was the name of the province of the Roman Empire, covering much of Great Britain?	Britannia		
5	What do we call a group of people who run a country?	government		

6	In which year did Constantine convert to Christianity?	AD 312		
7	What is the title of the head of the Catholic Church?	The Pope		
8	What do we call a senior member of the Catholic Church?	A bishop		
9	A period of 100 years is called...	a century		
10	What do we call an area which is part of an empire?	province		

History Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	In which year did the Romans conquer Britain?	AD 47		
2	Which empire conquered parts of the British Isles in the first century AD?	The Roman Empire		
3	What was the name of the province of the Roman Empire, covering much of Great Britain?	Britannia		
4	A period of 100 years is called...	a century		
5	What did the Romans call peoples they considered uncivilised?	Barbarians		
6	What is the belief in only one God called?	monotheism		
7	Is Christianity monotheistic or polytheistic?	monotheistic		
8	In which year did the Romans withdraw from Britain?	AD410		
9	What does it called to takeover a territory using force?	to conquer		
10	What language did the Romans introduce to Britannia?	Latin		

History Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	In which year did the Romans conquer Britain?	AD 47		
2	In which year did the Romans withdraw from Britain?	AD 410		

3	What do we call a system of routinely paying money to the government?	taxation		
4	The belief in only one God is called...	monotheism		
5	The descendants from the Celts and the Romans were called...	Romano-British		
6	The head of the Catholic Church is called...	The Pope		
7	A soldier who is paid to fight for another power is called a...	mercenary		
8	Which groups conquered Britain after the Romans left?	The Angles and the Saxons		
9	In which year did Augustine arrive in England?	597		
10	Why did Augustine arrive in England?	To convert the Anglo-Saxons to Christianity		

History Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	In which year did the Romans withdraw from Britain?	AD 410		
2	A period of 100 years is called...	A century		
3	The belief in only one God is called...	monotheism		
4	Which groups conquered Britain after the Romans left?	Angles and Saxons		
5	Why did Augustine arrive in England?	To convert the Anglo-Saxons to Christianity		
6	In which year did the Vikings arrive in Britain?	789		
7	What is it called when someone gives money or hostages when they are demanded?	To pay tribute		
8	To demand and get money and hostages is called...	To exact tribute		
9	Which King of Wessex defeated the Vikings at the Battle of Edington?	Alfred the Great		
10	In which year did the Battle of Edington take place?	878		

History Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	A period of 100 years is called...	A century		
2	What was the name of the province of the Roman Empire, covering much of Great Britain?	Britannia		
3	Why did Augustine arrive in England?	To convert the Anglo-Saxons to Christianity		
4	In which year did the Vikings arrive in Britain?	789		

5	In which year did the Battle of Edington take place?	878		
6	To takeover a territory using force is called...	To conquer		
7	What was the area of land in England controlled by the Vikings known as?	The Danelaw		
8	Which Viking leader signed a peace treaty with Alfred the Great?	Guthrum		
9	Which king defeated the Vikings at the Battle of Edington?	Alfred the Great		
10	What do we call a powerful landholder with a responsibility for local justice?	An earl		

Geography Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	What is the definition of population?	The number of people living in a particular place.		
2	What is the current world population?	More than 8 billion		
3	Which is the most populated country in the world?	India		
4	What continent is India in?	Asia		
5	What is the current population of India?	1.4 billion		
6	Which type of graph is best to show how the world's population has changed over time?	A line graph		
7	What is the current population of the UK?	67 million		
8	What do the letters 'UK' stand for?	United Kingdom		
9	What continent is the UK in?	Europe		
10	How many continents are there in the world?	7		

Geography Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	What continent is the UK in?	Europe		
2	How many continents are there in the world?	7		
3	Which continent has the largest population?	Asia		
4	True or false: the population of planet earth is unevenly distributed?	True: the population of planet earth is unevenly distributed		
5	What is the current world population?	More than 8 billion		
6	What is the number of people living in one kilometre squared called?	Population density		

7	What do we call a map that shows information using colour and patterns?	choropleth map		
8	Which type of graph is best to show how the world's population has changed over time?	A line graph		
9	What is the current population of the UK?	67 million		
10	What do the letters 'UK' stand for?	United Kingdom		

Geography Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	What do we call the number of people living in one kilometre squared?	Population density		
2	What do we call a map that shows information using colour and patterns?	choropleth map		
3	Is the population of planet earth distributed evenly or unevenly?	Unevenly		
4	What term do we use for an area with a high population density?	Densely populated		
5	What term do we use for an area with a low population density?	Sparsely populated		
6	Is the climate of a place a human or physical factor?	Physical		
7	Is the topography of a place a human or physical factor?	Physical		
8	What do we call the shape of the land. For example, whether the land is flat, hilly or mountainous?	topography		
9	What is the population density like where there is a harsh climate?	Low population density		
10	What is the population density like in a mountainous area?	Low population density		

Geography Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	What is a graph that shows the number of people in each age range in a population?	Population pyramid		
2	What does the base of a population pyramid show?	Birth rate		
3	What does a population pyramid with a narrow base show?	A low birth rate		
4	What do we call the number of live births per 1000 of the population per year?	Birth rate		
5	What does the height of a population pyramid show?	Life expectancy		
6	What does a population pyramid with a very narrow top show?	A low life expectancy		

7	Which part of the population pyramid shows the death rate?	The sides		
8	What does a bulge in the side of a population pyramid show?	Immigration		
9	Why are there two sides on a population pyramid?	To show female and male populations		
10	What do we call the average age that someone can expect to live until?	Life expectancy		

Geography Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	What did Malthus argue would limit population growth?	Food supply		
2	What term did Malthus use for events that would control population?	Natural checks		
3	What are 3 examples of natural checks?	War, famine, disease		
4	Do natural checks increase the birth rate or death rate?	Death rate		
5	When did Malthus develop his theory?	18 th century		
6	What has happened to the world population since Malthus wrote his theory?	It has increased significantly		
7	What did Boserup argue would solve the problems of food supply?	Technology		
8	When did Boserup develop her theory?	1965		
9	What phrase summarises Boserup's theory?	Necessity is the mother of invention		
10	Globally, which theory is there evidence for?	Both		

Spanish Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate Hello	Hola		
2	Translate Buenos días	Good morning		
3	Translate Buenas tardes	Good afternoon		
4	Translate I am	soy		
5	Translate I have	tengo		
6	Translate I call myself	me llamo		
7	Translate I have 11 years	tengo once años		
8	Translate I have 12 years	tengo doce años		
9	Translate y	and		
10	Translate ¿Cómo se dice?	How do you say?		

Spanish Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate Vivo	I live		
2	Translate Vivimos	We live		
3	Translate Vivo en Londres	I live in London		
4	Translate Vivo en Barcelona	I live in Barcelona		
5	Translate un barrio	a neighbourhood		
6	Translate una ciudad	a city		
7	Translate es	it is		
8	How do you pronounce ⟨v⟩ in Spanish?	[b]		
9	In Spanish, the adjective generally comes _____ the noun.	after		
10	In Spanish, the two gender categories are: _____ and _____.	masculine, feminine		

Spanish Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate I live in London	vivo en Londres		
2	Translate I live in Barcelona	vivo en Barcelona		
3	Translate We live in London	vivimos en Londres		
4	Translate We live in Barcelona	vivimos en Barcelona		
5	In Spanish, the adjective agrees with the _____ and _____ of the noun it describes.	gender, number		
6	How do you know the gender of a noun in Spanish?	By looking at the article		
7	In general, adjectives describing feminine nouns end in...	o		
8	In general, adjectives describing feminine nouns end in...	a		
9	Adjectives ending in ____ do not change.	e		
10	un / una are...	indefinite articles		

Spanish Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	A word or phrase that links clauses or sentences =	connective		
2	A word that strengthens or weakens the meaning of another word =	qualifier		
3	Translate and	y		
4	Translate but	pero		
5	Translate also	también		
6	Translate a bit	un poco		
7	Translate quite	bastante		
8	Translate very	muy		
9	Translate I live in London	vivo en Londres		
10	Translate We live in Barcelona	vivimos en Barcelona		

Spanish Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate <i>if only it were more</i>	ojalá fuera más		

2	<i>Translate if only it were less</i>	ojalá fuera menos		
3	<i>Translate interesting</i>	interesante		
4	<i>Translate boring</i>	aburrido / a		
5	<i>Translate safe</i>	seguro / a		
6	<i>Translate dangerous</i>	peligroso / a		
7	Translate also	tambiénate		
8	Translate but	pero		
9	In Spanish, the adjective generally comes _____ the noun.	after		
10	How do you know the gender of a noun in Spanish?	By looking at the article		

Latin Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate ursa	Bear		
2	Translate sum	I am		
3	Translate non	Not		
4	Translate amat	He/she loves		
5	Translate camelus	Camel		
6	Translate est	He/she is		
7	Translate salve	Hello		
8	Translate magistra	Teacher		
9	Translate intrat	He/she enters		
10	Translate ambulat	He/she walks		

Latin Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate sum	I am		
2	Translate timet	He/she fears / is afraid		
3	Translate intrat	He/she enters		
4	Translate spectaculum	Show		
5	Translate vivarium	Zoo		
6	Translate salutatus	He/she greets		
7	Translate elephantus	Elephant		
8	Translate dicit	He/she says/speaks		
9	Translate crocodila	Crocodile		
10	Translate leopardus	Leopard		

Latin Week C

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate laborat	He/she works		
2	Translate tenet	He/she holds		
3	Translate cibus	Food		
4	Translate bonus	Good		
5	Translate laetus	Happy		
6	Translate parvus	Small		
7	Translate tigris	Tiger		
8	Translate sum	I am		
9	Translate regina	Queen		
10	Translate bestiarius	Beast-fighter		

Latin Week D

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate captivus	Prisoner		

2	Translate est	He/she is		
3	Translate et	And		
4	Translate gladiator	Gladiator		
5	Translate imperator	Emperor		
6	Translate gladius	Sword		
7	Translate regina	Queen		
8	Translate secutor	Heavily-armed gladiator		
9	Translate retarius	Net-fighter		
10	Translate sed	But		

Latin Week E

#	Question	Answer	Test yourself 1	Test yourself 2
1	Translate amat	He/she loves		
2	Translate consumit	He/she eats		
3	Translate necat	He/she kills		
4	Translate parvus	Small		
5	Translate bonus	Good		
6	Translate magnus	Big/great		
7	Translate oppugnat	He/she attacks		
8	Translate dicit	He/she says/speaks		
9	Translate malus	Bad		
10	Translate iratus	Angry		

Performing Arts Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	What is a small movement used to communicate something, e.g. a nod, wave or thumbs up?	Gesture		
2	What is the skill for the strength of speaking where the voice is used loudly and clearly?	Projection		
3	What is the skill for speaking in a high, low or natural voice?	Pitch		
4	What is the skill where we change the speed at which someone speaks, e.g. how fast or slow you talk and respond to others?	Pace		
5	What is the skill that describes moments of silence between words, sentences, or characters?	Pause		
6	What is the skill for how clearly you are understood based on how you say words, sounds or letters?	Pronunciation		
7	What is the drama convention where you are frozen to show a still image of a scene?	Freeze Frame		
8	What is the key term for speech (talking) in drama?	Dialogue		
9	What is the drama convention for when one or more performers speak	Narration		

	directly to the audience to tell a story, give information or comment on the action of the scene or the motivations of characters?			
10	What is the drama convention for where two or more people say the same dialogue at the same time?	Choral Speech		

Performing Arts Week B

#	Question	Answer	Test yourself 1	Test yourself 2
1	What is the process of developing a character, so they are clear for the audience to understand?	Characterisation		
2	What is the key term for the drama performance?	Play		
3	What is the key term to describe the people in the play?	Characters		
4	What is the key term to describe the section of the play?	Scene		
5	What is the key term for what is happening in the scene?	Action		
6	What is the skill that changes how you use your face to show emotion, e.g. smile to show happiness?	Facial Expression		
7	What is the key term for the direction your eyes are looking?	Focus		
8	What is the key term for effort and concentration put into a performance or rehearsal?	Commitment		
9	What is the key term for joining scenes together using movement?	Transitions		
10	What is the key term for a small movement used to communicate something, e.g. a nod, wave or thumbs up?	Gesture		

Religious Studies Week A

#	Question	Answer	Test yourself 1	Test yourself 2
1	What is the ship built by Noah to survive the flood?	Ark		
2	What are the last 27 books in the Bible after Jesus' lifetime?	New Testament		
3	What are the first 39 books before Jesus' birth?	Old Testament		
4	What is a trust in God?	Faith		
5	What is an agreement or promise between God and people?	Covenant		
6	What is a future relation, for example; a child or a child's child?	Descendent		

7	What is Adam and Eve's disobedience towards God by eating the forbidden fruit, bringing sin into the world?	The Fall		
8	What is the name of the garden that God created for Adam and Eve to live in?	The Garden of Eden		
9	What is the first book in the Bible?	Genesis		
10	What is the name given to Abraham's descendants, chosen by God?	Israelites
